Download the set of worksheets so that you can apply what you are learning.

Alone or with a team, write out the following:

- **Your unique calling**
Identify the key elements of your unique calling. How did you get to where you are?
- **Your distinctive credentials**
List the life experiences, trainings, and education that make you who you are.
- **Miracles you've already made with God**
Recount the surprising events- both small and large-you and God have collaborated on to date.
- **Fears you've overcome**
Name the fears that have released their grip on you in part or in whole.
- **Declare your spiritual authority**
Claim and give thanks for your spiritual authority.
