Dream Like Jesus: Deepen Your Faith and Bring the Impossible to Life

CASPER, WYOMING November, 2019 - Looking back over thirty years of recovery from addiction and twenty-five years as a pastor, Casper Wyoming author, Rebekah Simon-Peter, reflects on the power of spirituality, a surprise vision, and her work in leadership development in her latest book, *Dream Like Jesus: Deepen Your Faith and Bring the Impossible to Life*. The result is an engaging volume which charts a path beyond conventional Christianity. The lessons contained in her DARE model – Dream, Align, Realize, Expand - apply far beyond religious circles.

Growing up with a Jewish mother, Catholic father, three brothers, and a sister, Simon-Peter's family opened the door for Elijah at Passover and searched for colored eggs on Easter. The living room sported a decorated tree at Christmas and a Menorah at Chanukah. She grew up with a distinctly Jewish religious upbringing in a home where everything was celebrated.

Simon-Peter, an ordained United Methodist minister, not only draws on her family roots of Jewish and Christian faith, but also includes reflections on contemporary culture, controversies, and leadership, with an engaging mixture of wisdom and wit.

Rebekah Simon-Peter is the author of *The Jew Named Jesus* (Abingdon Press, 2013) and *Green Church: Reduce, Reuse, Recycle, Rejoice!* (Abingdon Press, 2010), and *7 Simple Steps to Green Your Church*, (Abingdon Press, 2010). A nationally-recognized inspirational speaker, in her spare time, Simon-Peter enjoys gardening and hiking the wilds of Wyoming with husband Jerry and two four-legged friends.
